

Pine View is located southwest of Amboy on forty acres of beautiful mature pines.

Our playground is the delight by all kids as is the hayrack ride on Saturday nights. Equipment is available for volleyball, badminton, shuffleboard and horseshoes. We have a small, sandy lake for all those who love to swim and a small lake stocked with bass, bullheads and catfish just waiting to be caught.

Our planned activities are listed on the insert and are attended by week-enders as well as permanent campers.

We do have a small country store, pop and ice and some RV supplies.

WEEKEND SITES

When you come for the weekend, you will camp under the shade of hundreds of pine trees. Water hook-ups, electric hook-ups and some full hook-ups. Available flush toilets and free showers are close by for your convenience. When leaving, a free dumping station is available for you.

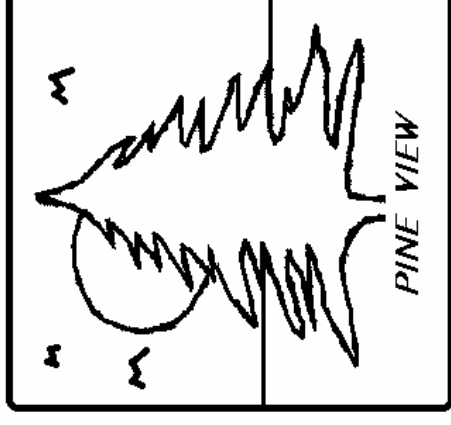

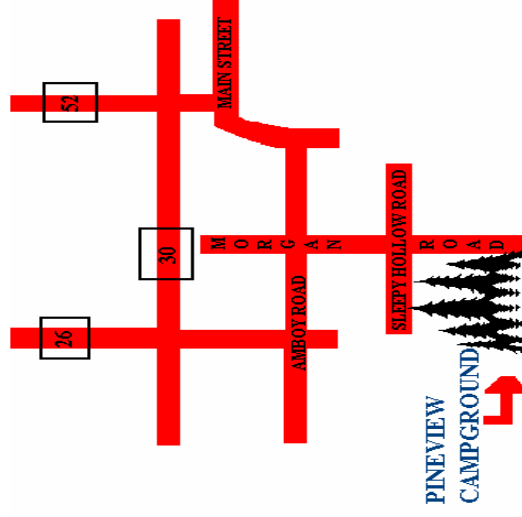

PERMANENT SITES

Pine View also has permanent lots, rented by the year, for just weekend camping. The lots are large, shady & have water, sewer and electric hook-ups.

Drop in and let us show you around this summer, you'll be pleasantly surprised!
